

# The 10 Plagues

Each of the ten plagues showed **God's control** over something the Egyptians worshipped!

Old Testament Book: Exodus, Chapters 7 to 12

<b>Plague</b>	<b>Egyptian god</b>
Blood	Hopi – the Nile River
Frogs	Goddess Hegt - childbirth
Gnats – lice	Seb – earth
Flies	Scarebo – resurrection
Murrain (cattle disease)	Apis the Bull - livestock
Boils	Imhotep - medicine
Hail/fire	Shu – air & Nut – sky
Locust	Seropia – fertility of earth
Darkness	Ra – sun and light
Death of Firstborn	Pharaoh – king of Egypt

The Lord God sent 10 plagues to show that all Egyptians gods and goddesses are nothing but man-made idols from dry bricks (mud and straws) having no power against the all-powerful God.
